

Latest Release from Vecima Networks

The latest release of the Vecima Telematics System will be completed on Thursday, **September 16, 2021**. Please see below for a brief description of the enhancements included in this release.

Feature	Description
6800 4G LTE OBDII Beacon 	<p>We have added new features to the latest 4G LTE beacon in our family of plug-and-play devices.</p> <ul style="list-style-type: none"> • Auxiliary Input – The 6800 now supports one input for auxiliary system monitoring. • Driver ID – Using a key fob, drivers may identify themselves at the start of a trip. <p>These new features are in addition to the functionality common to many of our popular beacons:</p> <ul style="list-style-type: none"> • Real-time location • Interval Tracking • Route logs • Ignition On/Off • Start/Stop movement • Zone entry/exit notifications • Speed notifications • Idle report and notification • Power Cut notifications • Power Savings • Tow notification • Driver Behavior reporting
6800H 4G LTE Beacon 	<p>To solve compatibility issues, or for vehicles that do not have an available OBDII port, the 6800 may be installed as a hardwired device (referred to as beacon model 6800H).</p> <p>A simple wiring adapter (pictured here) is used for the hardwired installation.</p>

Feature	Description
<p>Report Enhancements</p> <div data-bbox="396 382 509 491"></div> <p data-bbox="381 508 524 533">Engine Hours</p> <div data-bbox="396 592 509 701"></div> <p data-bbox="399 720 505 772">Mileage Summary</p> <div data-bbox="396 831 509 940"></div> <p data-bbox="399 959 505 1012">Landmark Summary</p>	<p>Several improvements have been made to commonly used system reports:</p> <p>Engine Hours Report – Historical Data</p> <ul style="list-style-type: none"> Historical data is now available for the Engine Hours report. <p>Engine Hours / Mileage Summary Reports – Background Reporting</p> <ul style="list-style-type: none"> For larger fleets, running Engine Hours or Mileage Summary reports can be time consuming. These reports may now be run in the background and delivered to your portal when the data is ready. <p>Landmark Summary – Scheduled Report</p> <ul style="list-style-type: none"> The Landmark Summary report is often used on a regular basis. To save time, this report may now be run automatically on a configurable schedule.
<p>Try our New Look Portal!</p> <div data-bbox="162 1188 737 1453"></div>	<p>The beta evaluation period for our New Look Portal is ongoing, and we would like to hear your feedback! Thank you to those who have already submitted feedback. We're working behind the scenes to improve your experience.</p> <p>For those that wish to switch permanently to the new UI, please let your account manager or Support know.</p> <p>For customers currently using the classic portal, you can get to the new portal by clicking the button that appears in the top right corner of the classic portal:</p> <div data-bbox="932 1612 1326 1677">Try our New Look Portal</div> <p>Some of the new features include:</p> <ul style="list-style-type: none"> “Smart” map view which is searchable for any item, landmark or location

Feature	Description
<div data-bbox="167 310 740 669"> <p>Distance Traveled (last 30 days)</p>  </div> <div data-bbox="167 709 740 957"> <p>Location Reports</p>  </div>	<ul style="list-style-type: none"> • Vehicles close to each other are “clustered” to easily view and navigate your entire fleet • Configurable dashboard for quick views of commonly accessed data • Fully searchable forms and report output • Revamped, modern look and feel <div data-bbox="800 621 885 701">  </div> <p>Please let us know what you think. Just click on the feedback icon to submit a form... we'll also enter you into a draw for a prize!</p> <p>Please note that during this beta period, you can always return to the classic view.</p>
System Enhancements	<p>This release includes system and infrastructure enhancements that will improve security and reliability.</p>

In addition to the features above, this release will also include other minor bug fixes and enhancements. If you have any questions or comments, please do not hesitate to contact us at support.telematics@vecima.com.

Best regards,

The Vecima Team
