

## Latest Release of the Contigo System

The latest release of the Contigo System was completed on Friday August 21, 2009.

Please see below for a brief description of the enhancements included in this release.

| Feature   | Description  |
|---|--|
| <b>Dispatch and Navigation</b>  | <p>This exciting release features the integration of the Contigo System with in-vehicle personal navigation devices, providing the ability to send jobs and messages to drivers. Features include:</p> <ul style="list-style-type: none"> <li>• Support for Garmin™ nuvi 255/255w, nüvi 350/360 and StreetPilot C340 units connected to the Contigo 6100 beacon.</li> <li>• Send Jobs and monitor status in real-time (acknowledged, en-route, estimated time of arrival, done).</li> <li>• Exchange text messages with the driver.</li> <li>• View, send, reassign and reorder a vehicle's jobs from a map.</li> <li>• Choose destinations using landmarks, address, map-click and even Latitude/Longitude.</li> <li>• Provide the driver with turn-by turn directions on the Garmin unit.</li> </ul> <p>Contact your Contigo representative for more information on this new feature.</p>  |

| Feature  | Description  |
|--|--|
| <b>DEX API: Ignition On and Off Events available</b> | Ignition On and Ignition Off events are now available through the Contigo DEX application programming interface, allowing you to track and display daily vehicle usage in your external application.   |
| <b>DEX API: Start and Stop Events available</b>      | Vehicle Start and Stop events are now available through the Contigo DEX application programming interface, allowing you to track vehicle usage and idle time in your external application.   |
| <b>Map View Enhancements</b>                         | <p>Map View Control Panel may be expanded or collapsed to reduce clutter and hide unneeded controls.</p> <p>The entire Control Panel may also be hidden to maximize the viewable map area.</p>  |

In addition to the major features above, this release will also include bug fixes and other minor enhancements.

If you have any questions or comments, please do not hesitate to contact us at [support@contigo.com](mailto:support@contigo.com).

Best regards,

**The Contigo Team**
