

Latest Release of the Contigo System

The latest release of the Contigo System was completed on Thursday August 01, 2013. Please see below for a brief description of the enhancements included in this release.

Important Notes

1. If you continue to use Flash technology for viewing maps in the portal, FlashPlayer 11.1+ is required to be installed in your browser. Please ensure that Flash is up to date on your system.
2. To ensure that all portal features function correctly, it is recommended that you clear your browser's cookies and cache. For assistance, please visit http://www.contigo.com/clear_browser_cache.html.

Feature	Description
Contigo 65xx – Dispatch Fully Supported	<p>The Dispatch feature is no longer in beta status. As of this release it is fully supported on all Contigo 65xx models:</p> <ul style="list-style-type: none">• 6500/6501 2G GSM/GPRS Beacons• 6550/6551 3G HSPA Beacons <p>For more information please see the Dispatch and Navigation datasheet in your Resource Center.</p> <p>Please note that Contigo 65xx units already running the beta release of Dispatch will require a firmware upgrade to fully support this feature. Automatic upgrades are expected to commence in early August.</p> <p>If you have any questions please contact Contigo Support at support@contigo.com.</p>
Mobile Tracker – Time On Site Report – Beta	<p>As an enhancement to the Mobile Tracker app for Android and iPhone, this new report, similar to a Stop report, summarizes the duration of visits to sites by a Mobile Tracker user.</p> <p>Mobile Tracker users must have v2.0 or above of the Android or iPhone app and must upgrade to a Deluxe license to use this new report.</p> <p>Note that this feature is a beta report, meaning we would like feedback on how you would like to use it for your Mobile Tracker reporting.</p> <p>Please give it a try and let us know how it works for you!</p>

Feature	Description
Guardian-mms.com domain to be discontinued as of August 1, 2013	<p>The guardian-mms.com domain is out of date and is not secure, but is still used by some customers to access the Contigo Web Portal. All web portal/site addresses that previously used this domain have been changed to contigo.com.</p> <p>Guardian-mms.com will be removed from service permanently in conjunction with this latest system release.</p> <p>To avoid an interruption in portal access, please advise customers to update their portal bookmarks in their browser, and delete the old guardian-mms.com portal link if it is still in use.</p> <p>The correct web address to reach the Contigo Web Portal is:</p> <p>https://customerdomain.cp.contigo.com</p>
Other System Updates	<p>Also included in this release:</p> <ul style="list-style-type: none">• infrastructure updates to improve overall system security

In addition to the features above, this release will also include other minor bug fixes and enhancements.
