

## Latest Release of the Contigo System

The latest release of the Contigo System will be completed on Thursday November 20, 2014. Please see below for a brief description of the enhancements included in this release.

### Important Notes

1. With the launch of Google Maps, Flash technology for viewing maps is no longer supported in the Contigo portal.
2. To ensure that all portal features function correctly, it is recommended that you clear your browser's cookies and cache. For assistance, please visit [http://www.contigo.com/clear\\_browser\\_cache.html](http://www.contigo.com/clear_browser_cache.html).

Feature	Description
<b>Google Maps Release</b> 	<p>Contigo has migrated all of the maps and location services in the portal to Google Maps, resulting in faster map loads, improved address lookups, and taking advantage of all of the great Google Maps features widely used on desktop PCs as well as mobile devices.</p> <p>Please see the Google Maps User Guide for a more detailed description of all the new features available in the Contigo portal.</p> <p><a href="http://www.contigo.com/Release_Notes/Contigo_User_Guide_Google_Maps.pdf">http://www.contigo.com/Release_Notes/Contigo_User_Guide_Google_Maps.pdf</a></p> <p>Feel free to send us your feedback!</p>
<b>Driver Behavior Reporting using Driver ID</b> 	<p>Driver Behavior reports may now be generated based upon the Driver ID, combining the data for all vehicles driven by a particular driver during the report timeframe.</p>

In addition to the features above, this release will also include other minor bug fixes and enhancements. If you have any questions or comments, please do not hesitate to contact us at [support@contigo.com](mailto:support@contigo.com).

Best regards,

**The Contigo Team**
